Application Questionnaire

This questionnaire is ACE's chance to get a feel for the nature of your teacher training program. There are no right or wrong answers, and it is better to be as honest as possible to give us a realistic sense of your program.

Please describe your teacher training program

What types of teachers come to your program (fitness, recreational, professional), and what level of training do you think your program can provide?

Please describe the nature and frequency of your communication with your staff, whether through formal staff meetings or passing in the hall.

Please describe what (if any) staff training or continuing education your teacher trainers pursue, are encouraged to pursue or are required to pursue.
